## FILMORE BIO

- Released the first album as The Tyler Filmore Band
- Recorded second album as Filmore in 2011 in Nashville, TN
- All three members have been friends since junior high

Filmore is an up-and-coming, modern country trio that combines the ever recognizable sound of Nashville with a spot-on harmonic blend. Originally conceived as The Tyler Filmore Band, the group got started at Mizzou University in 2009 and soon developed such a devoted following that they decided to head to Nashville. Once landed in the country music capital of the world, the band decided to do two things: 1) Record another album and 2) Shorten their name to Filmore. Today, Filmore has solidified itself as a successful and much loved act, harboring many fans among the college scene, with their talent... and their unprecedented ability to sing about Beer and Good Looking Women.
