The existing contract with Sci-Fi Channel and the production company responsible for producing the series “Ghost Hunters” will supercede all contracts for speaking engagements. GP Entertainment will work diligently with you to reschedule your event if Jason & Grant are called upon for filming or personal appearances in support of the television show. We are working closely with the production company and their schedule to minimize any risk of rescheduling events. To help make your event a success, please have promotion materials distributed throughout your campus. This rider is subject to change by the artist. Jason & Grant will entertain questions from the students after the event.
